TCU Study Abroad Programs and Honors Explorations Programs

Students can fulfill Honors Cultural Visions requirements by studying abroad through a [TCU-approved program](#) or by participating in an [Honors Explorations](#) experience. It does not matter which subjects students study while abroad (e.g., art, history, economics, business, language, religion, science, etc.); the *experience* of studying abroad (or travelling with the Honors College on an approved Honors Explorations program) fulfills 1-2 Honors Cultural Visions requirements. For more information about TCU-sanctioned study abroad programs (including Partner Programs), see <https://studyabroad.tcu.edu/>.

- TCU-sanctioned **summer** study abroad program (including Partner Programs) = ONE Honors Cultural Visions
- **Honors Explorations** experience = ONE Honors Cultural Visions
- TCU-sanctioned **fall** or **spring** study abroad program (including Partner Programs) = TWO Honors Cultural Visions
