## Departmental Honors Courses

IS/DS = Independent Study/Directed Study

During sophomore year, students should identify a Lead Mentor and one other COE faculty member, and meet with the COE Honors Liaison, Dr. Amber Esping. Students should commit to Departmental Honors by the beginning of junior year.

Students will enroll in EDUC 30003 for 3 credit hours during the second semester of junior year and in EDUC 40003 for 3 credit hours in the first semester of senior year. It is essential that the section numbers for these courses have a 600 prefix. The Lead Mentor is the professor for both courses.

Students who cannot enroll in 3 credit hours may enroll in EDUC 40970 (Directed Studies in Education) for 1 credit hour with permission of Dr. Esping. It is essential that the section number for this course have a 600 prefix.
